

Co-op County Fair Contest Application

The Co-op County Fair is a virtual, five-week event that will run through July 2020. Each week the Co-op County Fair will celebrate a theme and highlight entries on Maryland & Virginia Milk Producers' social channels. A weekly winner will be announced each Friday.

Maryland & Virginia Milk Producers will share the top weekly entries on our social channels to amplify these dairy stories and to share with consumers the positive message of how our farmers take care of their animals. Entries must come from within the cooperative's geographic footprint from Pennsylvania to Georgia.
