

Started in **2020**, the MDVA Fund was created to support the charitable efforts of the cooperative.

Milk donations

Milk donations made to local food banks and charitable organizations to help those in need in our local communities.

Scholarship program

Through the MDVA Fund, scholarships are available to students pursuing a career in the dairy industry. While the MDVA Fund is new, our scholarship program has existed for decades.

Community Engagement

MDVA sponsors dairy-related industry events across our region. From county fairs, dairy shows, member farm tours or industry meetings, MDVA offers support to these programs.
